Byron Heath was last seen by his family in Waco, TX, on 08/01/2012. Heath was known to disappear for long periods of time. However, in April 2013, when Heath failed to pick up his paycheck from his last job in Waco, TX, the family reported him missing. Heath was a painter and was known to frequently have paint on his clothes. Heath does not have any teeth. He was diagnosed with liver cancer but stopped treatment approximately one year prior to his disappearance.

Anyone with information regarding Heath's whereabouts or who had contact with him are asked to contact the Waco Police Department in Waco, TX.
