(Tattoos; upper left arm (left), outer left forearm (right))

Date Recovered: 05/17/2025

Location Recovered: Lithia Springs, GA

Race: White

Sex: Male

Height: 5'7"-5'11"

Hair: Black/Brown

Agency Case #: R2507254

On 05/17/2025, the body of a white male was discovered in the Chattahoochee River in Lithia Springs, GA. He was fully dressed wearing two pairs of pants and two jackets to include one camo-in-color. He was also wearing Converse All Star sneakers which had the shoelaces replaced with zip ties. He may have had long hair and/or substantial facial hair. He had numerous tattoos, to include the two pictured above, as well as several on his back, stomach/side, chest and leg. He was missing three of his upper front teeth.

The Douglas County Sheriff's Office is asking law enforcement agencies and the public to contact investigators with any information pertaining to the identification of this John Doe.

To provide or request additional information, please contact:
