**Height:** 5'3" to 5'7"  
**Weight:** 145 lbs.  
**Agency Case #:** 1001558  
**NamUs #:** UP148827

On 09/30/2000, the skeletal remains of an unknown male were recovered on Forest Mountain, six miles west of Yreka, CA (Siskiyou County), near an old logging road behind a locked gate. The time of death is estimated to be 6 months to 1.5 years prior. The victim is believed to be of Hispanic or mixed racial descent. The victim had extensive dental work, to include a bridge with caps on his front upper teeth.

The following clothing items / belongings were recovered:

- Rough Riders canvas bag with wallet containing two \$1 bills
- Grey baseball-style hat with "T" on front
- White tennis shoes (size 8)
- Brown leather wristwatch
- Plaid jacket (Levi's Silver Label brand; size medium)
- Broken belt with buckle
- Black "High Sierra" piece of clothing (size medium)
- Black clothing item with Mickey Mouse figure (unknown brand and size)
- White stained bag with blue letters, "Botan No. 1 Extra Fancy" (*believed to be a bag of rice*)

Investigators are asking anyone with information regarding the case or identification of the victim to contact Siskiyou County Sheriff's Office.
