Meredith Rose Walker, a 23-year-old female, was last seen alive in Orlando, FL on May 30, 2025. She was observed near the intersection of Robinson Ave. and Mills Ave., close to Lake Eola Park, walking towards I-4. Meredith had just been released from an Orlando jail, and family members believe she may have been headed north to be with family after the recent death of a loved one. She may have intended to hitchhike due to lack of transportation. Her remains were later found in Emporia, VA. We are seeking any information about Meredith. If you knew, saw, or interacted with her, please contact us immediately.

REWARD: Up to \$20,000 for information leading to the arrest and conviction of the individual or individuals responsible for the suspicious death of Meredith Walker.
