On 08/07/1998, Eau Claire's Police Department and Fire Department responded to a structure fire at Robin Latham's (W/M/33) apartment in Eau Claire, WI. The fire inside his residence was quickly extinguished. Investigators believe the fire was intentional and located multiple areas that had been saturated with an accelerant but had not caught fire. Even though Latham was not found at his residence, his vehicle was discovered in the attached garage with a noticeable amount of accelerant in the interior of the vehicle. Latham worked in the restaurant/hospitality industry and was known to travel to North Carolina.

Anyone with information regarding Latham's disappearance is asked to contact the Eau Claire Police Department.
